Introduction

Welcome to your Now Travel Insurance policy

Please note: Terms shown in bold in this policy have the meanings given to them in the general definitions section on [pages 22 and 23](#).

This policy document is only valid when issued in conjunction with a Now Travel Insurance **policy certificate** and provided the required insurance premium has been paid.

The following cover is provided for each **insured person**. It is important that **you** refer to the individual sections of cover for full details of what **you** are entitled to should **you** need to make a claim. The sum insured and the excess applicable to any claim made will depend upon the level of insurance **you** have purchased. **Your policy certificate** will show whether **you** have bought Essential, Classic or Premier cover. **Your policy certificate** will also show whether **you** have purchased any additional sections of cover as outlined in the 'Table of benefits for optional covers' on [pages 6 and 7](#).

If **your trip** is solely within the **United Kingdom**, cover under some of the sections listed below will not apply. Please refer to the individual section within the policy wording for full details.

Foreign, Commonwealth & Development Office (FCDO) Advice

This insurance policy will not cover **you** to travel to a specific country or to an area where, prior to **your trip** commencing, the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel. This exclusion does not apply where **your** destination is within Europe (see the 'Geographical Areas' on [page 16](#)) and where the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel solely due to the **Coronavirus** risk.

It is **your** responsibility to check the latest advice from the FCDO prior to commencing **your trip**, which **you** can find at <https://www.gov.uk/foreign-travel-advice>.

Claims arising from alcohol

We do not expect **you** to avoid alcohol during **your trip**, but **we** will not cover any claim arising from excessive alcohol consumption, by which **we** mean where **you** have drunk so much alcohol that a **doctor** has stated that **your** alcohol consumption has caused or actively contributed to **your** injury or illness, the results of a blood test at the time of injury or illness shows that **your** blood alcohol level exceeds 0.19% that is approximately 1.5 litres of beer or four 175ml glasses of wine; a witness report of a third party that has advised that **you** have notably impaired **your** faculties and/or judgement. Please refer to General Exclusions 26, 27, 28 and 29 on [pages 25 and 26](#).

This is not a private medical insurance policy and is only designed to cover you for emergency treatment

Your Now Travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company as part of a medical emergency covered by this policy.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **our** Medical Emergency Assistance Company, cannot be delayed until **you** return to the **United Kingdom**. The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, illness or injury that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, illness or injury, or which leads to **your** full recovery.

Claims for reimbursement of costs

This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.

IMPORTANT INFORMATION

We draw **your** attention to the exclusions detailed in the 'General Exclusions' section, in particular, exclusions 38 and 39, as this policy will **NOT** provide cover for any claims directly or indirectly related to a **pandemic** and/or **epidemic**, including but not limited to **Coronavirus**.

Please note: general exclusion 38 applies to all sections of cover, whilst general exclusion 39 applies to all sections of cover with the exception of Section A (Cancelling your trip), Section B1 (Medical and other expenses outside of the United Kingdom), Section B2 (Expenses within the United Kingdom) and Section C (Cutting your trip short)); provided that **you** have received the recommended number of doses of an approved **Coronavirus** vaccine 14 days prior to **your** trip commencing. This vaccination requirement shall not apply where **you** were ineligible for vaccination, or unable to receive the vaccine for medical reasons, and this is shown in **your** medical records. **You** should also refer to general exclusion 21.

Please be aware, there is no cover under this policy if (having no symptoms of or **you** not testing positive for **Coronavirus**) **you** are advised to quarantine or **you** choose to self-isolate due to a person **you** have come into contact with testing positive for **Coronavirus**.

Health agreements

European Health Insurance Card (EHIC)/Global Health Insurance Card (GHIC)

The EHIC allows **you** to access state provided healthcare in all European Economic Area (EEA) countries and Switzerland. **Your** EHIC will be accepted for the remainder of its validity. From 4th January 2021, if **you** do not have a valid EHIC **you** will need to apply for a GHIC but please be aware that the GHIC does not cover Switzerland, Iceland, Liechtenstein or Norway. For more information or to apply for **your** GHIC: online at www.dh.gov.uk/travellers or by telephoning 0845 606 2030.

Presenting **your** EHIC/GHIC at a public medical facility will allow **you** to obtain treatment at a reduced cost and in many cases free of charge, provided **you** are a UK resident (please note if **you** reside in the Isle of Man or the Channel Islands **you** are not eligible for an EHIC/GHIC). **You** must carry it with **you** when travelling abroad. Remember to check **your** EHIC/GHIC is still valid before **you** travel.

If **you** are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on: www.gov.uk/guidance/uk-reciprocal-healthcare-agreements-with-non-eu-countries.

Australia or New Zealand

If **you** require medical treatment in Australia **you** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **you** must do this after the first occasion **you** receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE Website on www.humanservices.gov.au/medicare or by emailing: medicare@humanservices.gov.au.

If **you** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **doctor** has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email: info@health.govt.nz. Alternatively, please call the Medical Emergency Assistance Company for guidance.

If **you** are admitted to hospital contact must be made with the Medical Emergency Assistance Company as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE or a Primary Health Organisation (PHO).

In the event of liability being accepted for a medical expense which has been reduced by the use of either a EHIC/GHIC, Medicare in Australia or private health insurance, **we** will not apply the deduction of the policy excess under section B1 (Medical and other expenses outside of the **United Kingdom**).

If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** in-patient or outpatient treatment.

Failure to contact the Medical Emergency Assistance Company and obtain authorisation may prejudice the claim and could mean that some or all of the costs involved may not be paid. **You** should not attempt to find **your** own solution and then expect full reimbursement from **us** without prior approval having been obtained from the Medical Emergency Assistance Company.

If **you** have to return to the **United Kingdom** under Section C (Cutting your trip short) or Section B1 (Medical and other expenses outside of the **United Kingdom**) the Medical Emergency Assistance Company must authorise this. General conditions

The following conditions apply to all sections of this insurance.

1. **You** must tell **us** if **you** know about anything which may affect **our** decision to accept **your** insurance (for example, if **you** are planning to take part in a dangerous activity while **you** are on holiday).
2. **You** must comply with the 'Important conditions relating to health' on [pages 9 and 10](#).
3. **You** must take all reasonable steps to avoid or reduce any loss which may mean that **you** have to make a claim under this insurance. (For example if **you** receive hospital treatment in a European Union country, **you** should produce **your** European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC), if **you** have one).
4. **You** must give Claims Settlement Agencies all the documents they need to deal with any claim. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply proof that **you** were unable to travel, such as a medical certificate completed by **your** doctor.
5. **You** must help **us** get back any money that **we** have paid from anyone or from other insurers (including the Department for Work and Pensions) by giving **us** all the details **we** need and by filling in any forms.
6. This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.
7. Any fraud, deliberate mis-statement or hiding of information in connection with the application for this policy or when making a claim will make this policy invalid for the **insured person** who has committed the fraud, deliberate mis-statement or hid information. In this event, any benefit due to the **insured person** who has committed the fraud, deliberate mis-statement or hiding of information under this policy will be forfeited and any benefit that has previously been paid to them must be repaid to **us** in full. **We** will also under such circumstances not refund any premium paid on behalf of the **insured person** who has committed the fraud, deliberate mis-statement or hiding of information.
8. The **insured person** must give **us** permission to obtain any medical reports or records needed from any **doctor** who has treated the **insured person**; otherwise **we** may not pay any claim.
9. **We** may ask the **insured person** to attend one or more medical examinations. If **we** do, **we** will pay the cost of the examination(s) and for any medical reports and records and the **insured person's** reasonable travelling expenses to attend (and any person required to travel with them), if these expenses are agreed by **us** in advance. If the **insured person** fails to attend without reasonable cause, **we** may reject the claim.
10. If an **insured person** dies, **we** have the right to ask for a post mortem examination at **our** expense.
11. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance. This could include any overpayments and payments which **you** are not entitled to, for example, if **your** claim for lost luggage has been paid but **your** suitcase is subsequently returned to **you** by the airline.
12. After a claim has been settled, any damaged items which **you** have sent into Claims Settlement Agencies will become **our** property.
13. This policy may not be assigned or transferred unless agreed by **us** in writing.
14. **We** will not pay any interest on any amount payable under this policy.
15. **We** will deal with claims under Section G (Personal accident) in respect of accidental death as follows:
 - a. If an **insured person** is eighteen (18) years of age or over any sums payable will be made to the executor or personal representative of the deceased **insured person's** estate.
 - b. If an **insured person** is seventeen (17) years of age or under any sums payable will be made to a **parent** of the deceased **insured person**.
- For the avoidance of doubt, age is at the date the policy is purchased.
16. **We** may also contact third parties who have or who were to provide services to the **insured person** (for example, an airline, travel company or hotel) to verify the information provided.
17. Only the **policyholder**, an **insured person** (or their **parent** if they are seventeen (17) years of age or under or their executor or personal representative in the event of the **death** of an **insured person**) or **us** may enforce the terms of this policy.
18. All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in **our** rejection of the claim if it is made so long after the event that **we** are unable to investigate it fully, or may result in **you** not receiving the full amount claimed for if the amount claimed is increased as a result of

the delay.

19. Several Liability Notice. The subscribing (re)insurers' obligations under contracts of (re)insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing (re)insurers are not responsible for the subscription of any co-subscribing (re)insurer who for any reason does not satisfy all or part of its obligations.

- the cost of transport to the nearest resort; or
- a benefit for each complete twenty-four (24) hour period that **you** are not able to ski and there is no other ski resort available.
